

TWICKENHAM regatta 2009

Entries

Many thanks to all for your continued support of our regatta – it is truly appreciated.

Due to the need for a tide break between 1pm and 2:15pm we have a restricted number of race slots available to us this year. This has meant we have had to take the unfortunate measure of not running some events and culling the numbers of entries in others.

The following events are not being run this year due to insufficient entries being received, or timetabling issues, or a combination of both.
